Chewable Multi-Vitamin

Full potency nutritional support formula for optimum dietary results, now in an easy chewable form, with a great taste. Perfect for your children, or to add to your everyday routine.

Chewable Fruit & Veggie

A convenient “whole food” way to get all the nutritional value of fresh fruits and vegetables everyday. Now in a great-tasting chewable form.

Scientists have determined that in addition to vitamins and minerals, fruits and vegetables contain other natural components which are beneficial to health.

VitaBites Fruit & Veggie contains extracted food compounds found in fresh juice. They are extracted from only organically grown, nutrient-rich fruits and vegetables.

We capture the wholesome nutrients of fruits and vegetables, including essential vitamins, antioxidants, food enzymes, and food activates in our Fruit & Veggie VitaBites.

Great for on-the-go families. Kids will love the great taste.
